

The information included in this document does not represent a contract between the University and the student. Due to changing situations, it may be necessary to alter the fees and tuition costs before the publication of the next catalog.

Once a year, the Vice President of Financial Affairs publishes a brochure with information about the tuition costs for all the academic programs, as well as other fees that apply.

Costs

The cost per credit is \$372.00 at the undergraduate level, and \$575.00 at the graduate level. The cost of credit awarded for prior learning is equal to 50% of the cost per credit.

Please note that in attending any institution, you will need to allow for other expenses, such as books and supplies, transportation, meals, and other personal needs. A variety of financial aid packages are available. Tuition, fees and service charges must be paid in full during registration or at the time the student requests services. Payments can be made in cash, personal check, certified or manager's check, money order, or credit cards such as American Express, Visa or Master Card. Receipts for all transactions must be requested and retained, and presented with any claim or adjustment requested. The Bursar's Office will not accept claims without receipts.
