Independent Verification Worksheet 2014-2015 (V1)

Your 2014 -2015 Free Application for Federal Student Aid (FAFSA) was selected for review in a process called verification. The law says that before awarding Federal Student Aid, we may ask you to confirm the information you reported on your FAFSA. To verify that you provided correct information the financial aid administrator at your school will compare your FAFSA with the information on this worksheet and with any other required documents. If there are differences, your FAFSA information may need to be corrected. You must complete and sign this worksheet, attach any required documents, and submit the form and other required documents to the financial aid administrator at your school. Your school may ask for additional information. If you have questions about verification, contact your financial aid administrator as soon as possible so that your financial aid will not be delayed.

C. Student's Income Information to Be Verified:

1. **TAX RETURN FILERS --Important Note:** If the student filed, or will file, an amended 2013 IRS tax return, the student must contact the financial aid administrator before completing this section.

Instructions: Complete this section if the student, filed or will file a 2013 income tax return with the IRS. *The best way to verify income is by using the IRS Data Retrieval Tool that is part of FAFSA on the Web. If the student has not already used the tool, go to FAFSA.gov, log in to the student's FAFSA record, select "Make FAFSA Corrections," and navigate to the Financial Information section of the form. From there, follow the instructions to determine if the student is eligible to use the IRS Data Retrieval Tool to transfer 2013 IRS income tax information into the student's FAFSA. It takes up to two weeks for IRS income information to be available for the IRS Data Retrieval Tool for electronic IRS tax return filers, and up to eight weeks for paper IRS tax return filers. If you need more information about when, or how to use the IRS Data Retrieval Tool see your financial aid administrator.*

Check the Box that applies:

The student has used the IRS Data Retrieval Tool in FAFSA on the Web to retrieve and transfer 2013 IRS income information into the student's FAFSA, either on the initial FAFSA or when making a correction to the FAFSA. *The student's school will use the IRS information that was transferred in the verification process.*

The student has not yet used the IRS Data Retrieval Tool in FAFSA on the Web, but will use the tool to retrieve and transfer 2013 IRS income information into the student's FAFSA once the student has filed a 2013 IRS tax return. *See instructions above for information on how to use the IRS Data Retrieval Tool. The student's school cannot complete the verification process until the IRS information has been transferred into the FAFSA.*

The student is unable or chooses not to use the IRS Data Retrieval Tool in FAFSA on the Web, and the student will submit to the school a **2013 IRS tax return transcript** --not a photocopy of the income tax return. *To obtain an IRS tax return transcript, go to www.irs.gov and click on the "Order a Return or Account Transcript" link, or call 1-800-908-9946. Make sure to request the "IRS tax return transcript" and not the "IRS tax account transcript." You will need your Social Security Number, date of birth, and the address on file with the IRS (normally this will be the address used when the 2013 IRS tax return was filed). It takes up to two weeks for IRS income information to be available for electronic IRS tax return filers, and up to eight weeks for paper IRS tax return filer.*

Check here if the student's IRS tax return transcript is attached to this worksheet.

Check here if the student's IRS tax return transcript will be submitted to the student's school later. Verification cannot be completed until the IRS tax return transcript has been submitted to the student's school.

2. **TAX RETURN NONFILERS** --Complete this section if the student will not file and is not required to file a 2013 income tax return with the IRS.
